Directions to Hilary and Ward Dorer's Home

From Rt. 80 East (from Delaware Water Gap)

- Take Rt. 80 East to the Denville exit (exit 38). The ramp puts you on Route 46 going east. You will come to a traffic light immediately. Get into the left hand lane as soon as you can. Go straight through the light and stay in the left hand lane, which filters (at a traffic light) across Rt. 46 W. into the center of Denville. Follow the road round to the right and proceed to the next traffic light. **TURN LEFT**. A shopping center will be on your left and a New World coffee shop on you right as you turn the corner. Continue following the directions below from Step 2.

From Rt. 80 West (from NYC, Route 287 North or South)

1. Take Rt. 80 West to the Denville Exit (exit 39). (This is two exits - about five miles - West of the junction of Rt. 80 with Rt. 287). The ramp puts you on Rt. 46 going east. Take the **SECOND** exit (a few hundred yards only) following the sign to Denville on Rt. 53 **NORTH**. Turn right at the end of the exit ramp (the only way you can go) and proceed straight to the second traffic light. You are now in the center of Denville. Bear right at a 45 degree angle keeping a New World coffee shop on your right and a small shopping center on your left. Note that there is a hard right at this light that you do **NOT** want to take.

2. You are now on **Diamond Spring Road**. After a few blocks you will come to a traffic light. Bear **left** at the light. You'll travel about a mile +/- on Diamond Spring until you pass a school on your right and a small park with a pond on your left. Just after the park is a house with a white picket fence. Turn **left** just after the house onto **Florence Ave**.

3. You will go about 5 short blocks along Florence (the last road to the right is called West Glen Road) – do not take it but go straight on up a small hill) and you will see a wooden sign on your left saying “Cedar Lake – a private lake community”. Bear **left in front** of the sign. You'll see our big white garage immediately on your **right**. Our house is just beyond it # 137 Cedar Lake East (White with green shutters). Home phone: **(973) 625-8136**. Park in the circular driveway or continue a bit further and you will find a parking lot on the left, across the road from the Cedar Lake Beach. **Note: When the lake is immediately to the right of the road you have gone past the house.**

See you there!
